

2016 Entertainment Committee Annual Report

The purpose of the Entertainment Committee is to provide a variety of social events for owners, renters and guests by organizing activities that promote community interaction. The committee is comprised of volunteers and is financially self-sustaining. Events are designed to give residents an opportunity to meet one another and interact socially. Any money generated is used to purchase items that enhance the community or social experience.

The Committee Co-chairs are Jane Patterson and Sharon Trent; Cheryl Macro is the Treasurer. In an attempt to increase communication, each building has a representative to help distribute information, collect party fees, and serve as a contact person. The current building captains are:

Sandy Johnson	Janina Ganzert
Yonnie Fuller	Ellie Oberg
Jackie Powell	Jane Patterson
Diane Iffland	Cheryl Macro
Teri Parker & Claudette Delorme	Donna Wawszczyk & Kathy Keough

The 2016 parties, their attendance and our profit or loss was as follows:

Welcome Back Party	98	
Pancake Breakfast	100	\$255
Pizza/Karaoke	116	(-53)
Beach Party	121	167
Farewell Party		

Music this year was provided by DJ Rick, DJ Art and a karaoke/DJ.

The Lucky 3 raffles accounted for 61 percent of our income, parties netted 33 percent and donations were 6 percent. We donated \$100 to the Landscape Committee, purchased a new bulletin board for the pool, bought noodles, pickle ball supplies, a griddle and a new sound system. Rental fees amounted to \$100 and fees for entertainment were \$300. In the fall we will be purchasing a new BBQ grill, additional pancake griddles, noodles and a storage container, waste containers and more.

Meetings are posted and are open to anyone interested in attending. Residents and renters are encouraged to assist with the planning and coordinating of the monthly social activities. We are always looking for new ideas and welcome others to host future party events. You may contact any member of the Committee or any Building Captain with your ideas.

We also want to thank all the many volunteers who have helped with baking desserts, setup, and cleanup. This is truly a group effort with the goal of making Davis Lake a fun, social and vibrant community.
